## ABOUT ME

### Passionate and Self-Motivated Software Engineer

I am a passionate and dedicated software engineer with a strong drive for technology and innovation. Committed to lifelong learning, I constantly enhance my skills and stay updated on the latest industry trends. I enjoy solving complex challenges through creative solutions, with a focus on detail and delivering results.

As a self-starter, I excel both independently and in collaborative environments. My goal is to create impactful, user-focused applications that make a difference. Whether it's building cross-platform applications or tackling technical problems, I approach every project with energy, focus, and a love for coding.

### Education

#### Bachelor's Degree in Software Engineering

Arba Minch University, Arba Minch, Ethiopia

Cumulative GPA: **3.52/4.0**

### Achievements

- **Huawei ICT Competition 2022-2023 (Cloud Track):** Awarded for excellent performance.
- **ALX Software Engineering Program:** Completed a 12-month backend development specialization.

### Work Experience:

- **Hadiya Science and Information Technology Department (Intern):** Developed a budget management system for financial tracking.
- **Ethiopian Information Network Security Administration (INSA):** Currently working on cybersecurity initiatives, focusing on protecting national information infrastructure and strengthening security measures.

### Volunteer Work and Leadership:

- **Student Peace Forum, Arba Minch University:** Promoted peace through initiatives.

### Languages

- **English:** Proficient in reading, writing, listening, and speaking.
- **Amharic:** Native proficiency in reading, writing, listening, and speaking

### Digital Skills

Microsoft Office Suite (Word, Excel) | Google Drive | Communication Tools: Zoom, Skype | Social Media Platforms: Facebook, Instagram

### Technical Skills:

- **Programming Languages:** Java, JavaScript, Python, Dart, C, C++, C#
- **Full-Stack Development:** MERN Stack (MongoDB, Express.js, React.js, Node.js)
- **Mobile App Development:** Flutter for cross-platform applications
- **Version Control:** Git, GitHub, GitLab
- **Cloud Platforms:** AWS, Azure, Google Cloud
- **Databases:** SQL (MySQL), NoSQL (MongoDB, Firebase)
- **Testing Tools:** Selenium, Postman, JUnit
- **API Development:** RESTful API design and implementation
- **UI/UX Tools:** Figma, Adobe XD, Sketch for design and prototyping
- **Agile Tools:** Jira, Trello, Asana for project management

### Soft Skills

Strong written and verbal communication | Organizational and planning skills | Teamwork-oriented mindset | Decision-making abilities | Active listening
